According to International Patent Classification (IPC) or to both national classification and IPC

B. FIELDS SEARCHED

Minimum documentation searched (classification system followed by classification symbols) $IPC \ 7 \ CO7D$

Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched

Electronic data base consulted during the International search (name of data base and, where practical, search terms used)

EPO-Internal, BEILSTEIN Data

Category °	Citation of document, with indication, where appropriate, of the relevant passages	Relevant to claim No.
Х	EP 0 183 760 A (AMERSHAM INTERNATIONAL PLC; GUERBET S.A) 11 June 1986 (1986-06-11) cited in the application	17

Further documents are listed in the continuation of box C.	Patent family members are listed in annex.		
° Special categories of cited documents:	*T* later document published after the international filling date		
"A" document defining the general state of the art which is not considered to be of particular relevance	or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention		
"E" earlier document but published on or after the international filing date	"X" document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to		
"L" document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)	thvolve an inventive step when the document is taken alone "Y" document of particular relevance; the claimed invention		
"O" document referring to an oral disclosure, use, exhibition or other means	cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled		
"P" document published prior to the international filing date but later than the priority date claimed	in the art. *&* document member of the same patent family		
Date of the actual completion of the international search	Date of mailing of the international search report		
10 May 2005	20/05/2005		
Name and mailing address of the ISA	Authorized officer
